## INSTALL WoodHaven™ PLANKS ON CEILINGS IN THREE DIFFERENT WAYS!

1. Our beautiful prefinished laminate planks install in a breeze. With specially designed installation clips and screws that are included right in the plank package, they install directly to exposed joists. Must use 1.5" drywall screws when installing WoodHaven planks to drywall (drywall screws not included).
2. Use Easy Up® system for faster, more flexible installation or to run planks parallel or diagonal to joists.
3. Transform an existing 15/16" suspended (drop) ceiling using Easy Up® clips. Note: existing grid must be 15/16".

### 3 INSTALLATION STEPS TO RETROFIT 15/16-IN GRID

Remove panels

Snap on Easy Up clips

Position planks; slide and secure clips

Note: Existing grid must be 15/16-in. Prior to installation, ensure the clip fits snugly on the grid but can still slide.

## INSTALL WoodHaven™ PLANKS ON WALLS

Consider the expanded range of decorating options with WoodHaven planks used on walls. Enhance the aesthetic appeal of virtually any wall—including bathroom and kitchen applications—with two design selections, Painted White and Beadboard. WoodHaven planks make creating a total room design solution easy and affordable.

### INSTALLATION OPTIONS

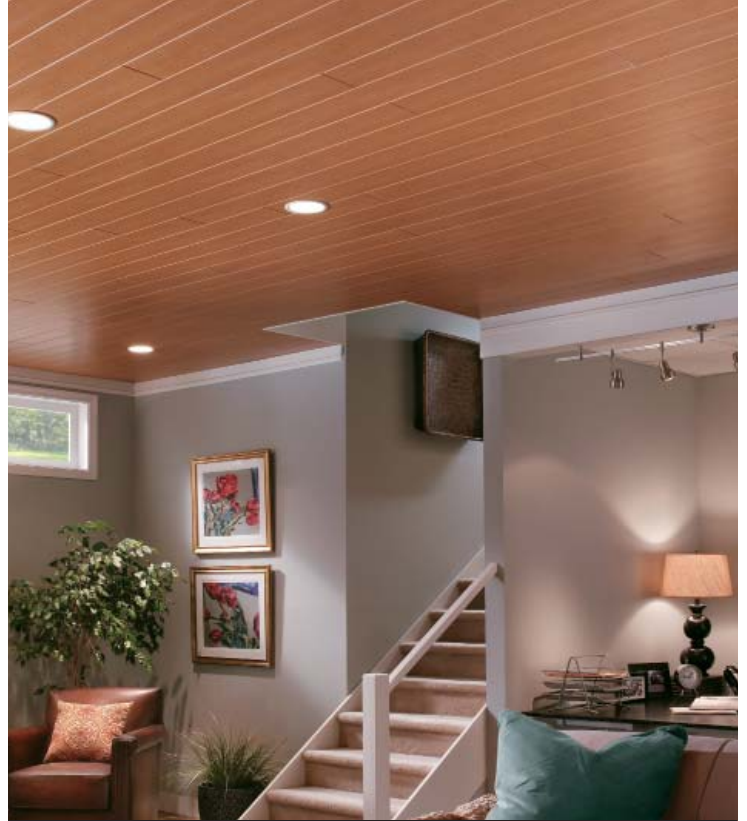

Install vertically on a wall using construction adhesive. Follow the adhesive manufacturer's recommendations for surface preparation and application rate. Use painter's tape if necessary to hold planks in place until the adhesive sets up.

Install horizontally on a wall using clips included in the WoodHaven carton.
